

The *College for Advanced Christian Education* was pioneered by Pastor Harold F. Weitsz in 1986 in response to the leading of the Holy Spirit. From the first day there has been a continuous drive to strongly equip believers from all Christian backgrounds and cultures in the Word of God.

Hundreds of students have completed the course and many have entered into full-time ministry. Through the years the College has adapted and gone through various phases of development.

Ephesians 6:15 "Wear shoes that are able to speed you on as you preach the Good News of peace with God" (TLB)

Destiny Bible College is a training centre designed to raise up laborers for the harvest that God has allotted for this generation. Pastor Harold Weitsz has a vision to plant 1000 churches within the next 10 years. Dr Marc Bredekamp also shares in the heavenly vision of church planting. As a result we need ministers that are fully equipped and ready to "go" and disciple the nations.

"I believe that now is the time for laborers to be raised up to take the harvest allotted to this generation. Don't delay, accept the call and the challenge to produce much fruit that brings glory to the Father. Jesus said that the Words He speaks are 'foundational words, words to build a life on.'" - Dr Marc Bredekamp.
